

2015 End of Year Scripture report

2015 has been a good year. It has provided some exciting conversations with students as well as some challenges to make things interesting. Throughout 2015 the Year 7 and 8 students of Monaro High have been encouraging in their participation in class and at times challenging in the lack of attendance to classes for, what has been told to me, various reasons.

The staff of Monaro have been accepting of me being in the school and are more than willing to help out where it is needed. There has also been times when due to lack of communication between staff and students this has affected the attendance of lessons, which has been frustrating for both the students and myself.

I have found the report that I have been able to build with the students has been good with many of the students being willing to talk to me outside of class times about life and things that we have talked about in class. This is always an encouragement for myself as it shows to me that despite how I may have felt a lesson has gone the students are taking in what has been taught and are thinking about it or that it has come back to their memory at times that they have needed it.

Prayer Requests

- For the students going into year 9 in 2016 that they will seek God in their lives.
- For the students moving into Monaro High to start their high schooling that they would not find it overwhelming
- For a smooth transition at the start of the 2016 School year with timetabling and class allocations.
- For the students that will continue to have scripture in 2016 that they will actively participate in the classes
- For myself that I will be able to continue to build on the relationships that have been built with students.
- For the staff of Monaro High that they will be blessed through the scripture teaching that happens in the school.
- For an increase in finance so that we can better reach the staff and students of Monaro High and increase the amount of time that is spent with students in class.
- For a safe and blessed Christmas and New Year for all the staff and students.

I would like to say thank you for all the support that has been giving during 2015 both financially and in prayer. Without the support that is given in both these areas scripture in Monaro High would not be able to happen.

I would like to wish you all a Joyous Christmas and an exciting New Year. May the finish of 2015 be peaceful and the start of 2016 be a year of excitement and growth for you all

Thank you and God Bless
David
