

Cooma Schools Ministry Inc
Teachers Report
October 2019

SRE in term 3 has continued in the same manner as it did in term 2. The classes have been consistent in numbers and the overall behavior of the students has been good.

There have been a few lessons between the 2 year groups that were missed due to conflicting events and bookings from both myself and the school.

We have been working through the Think Faith curriculum in both years and spent last term looking the life of Paul in the book of Acts in yr 7 and the life of Peter in the book of Acts in yr 8.

Both year 7 and 8 have been progressing through the lessons with some good discussion happening.

Prayer Points

- all the students of Monaro High
- The yr 12 students that are currently doing their HSC exams
- For the yr 6 students who will be going into high school next year
- For the staff of Monaro High
- For the new Deputy that will be coming in 2020
- For the state government and the support of SRE in High schools
- For the teachers federation to see the value in SRE
- For my self for better teaching methods and practices

Thanks again for all your support in all areas. Without you this important ministry would not happen.
